25.1.2007

S-38.3192 Exercise session:
Tutorial for ITGuru

Topology in ITGuru
Today’s topic: IS-IS

• Do the exercise. You’ll find it at course’s website
• Send the exercise as an email attachment to theikk2@netlab.tkk.fi. File type must be PDF.
• Remember to answer the feedback questions
• Next exercise session (MPLS) will be on Fri 8.2. at 12 -14 o’clock in Maari-A
For the Next Exercise Session

• Topic will be MPLS
• Familiarize yourself with MPLS
  – Read the slides on the course WWW page
  – Look through the (possible) additional material recommended in the lectures
  – Read different MPLS related RFCs
  – (Google MPLS)
