TKK announces

Idea Contest for International Innovations

for all TKK staff, TKK students of all categories, TKK alumni and friends.

The purpose is to collect well thought out ideas on Strategic Actions and process improvements that TKK should undertake in order to improve its international education and research operations, administration, processes and activities.

Prizes: Up-to 2000€ will be paid in prizes for best proposal(s). Up to 30% will be awarded by drawing lots among all participants.

Ideas should be presented on one A4 sheet giving at least:

- formulation of the idea in a clear and concise manner,
- who should do what at TKK,
- description of roles of collaboration partners, if any, outside TKK and how to motivate them
- motivation for TKK (i.e the problem the idea is trying to fix)
- benefits to TKK and other stakeholders
- costs to TKK

Deadlines: Proposals should be submitted on paper in envelopes marked "INTO CONTEST" by December 24th to

Mika Tarvainen
Tietoverkkolaboratorio
PL 3000
02015TKK

Prizes will be announced at the beginning of the Spring term 2007.

Ideas will be evaluated taking into account quality of presentation, expected impact of implementation and novelty of the idea.

The Contest is organised by the INTernational Otaniemi (INTO) project (<http://www.netlab.tkk.fi/tutkimus/into/>). If you have any questions regarding conditions for the contest, e-mail to raimo.kantola@tkk.fi.

Proposal evaluation will be by the INTO project and the Internationalization Council of TKK.
