

CV, Mikko Juhani Pitkänen

Born on: 25th, November 1980
Nationality: Finnish
Address: Lauttasaarentie 45 A 6, 00200 Helsinki, Finland
Mobile: +358 41 545 6605
Email: mikko.pitkanen@aalto.fi

Education

Aalto University, Finland, 2004 - 2011

Doctor of Science in Technology. Excellent academic record with several publications in the fields of networking technology and distributed computing.

Helsinki University of Technology, Finland, 2004 - 2008

Licentiate of Science in Technology. Department of Electrical and Communications Engineering: Networking Technology (major), Information Technology (minor).

Helsinki University of Technology, Finland, 1999 - 2004

Master of Science in Technology. Department of Electrical and Communications Engineering: Telecommunications Management (major), Software Systems (minor).

Finnish Naval Academy, Finland, 7/2000 - 6/2001

Naval Officer of the Reserve, reserved as Sub Lieutenant.

Sveitsi High School of Nature Science, Hyvinkää, Finland, 1999

High School Graduate.

Working experience

Aalto University, Finland, 9/2004 - present

Full time research scientist, research on mobile communications. Software development and system analysis skills on distributed computing systems. Project acquisition and management skill both on national and international level including interaction with legal and financial experts.

Helsinki Institute of Physics, Finland and Switzerland, 9/2004 - 9/2010

Full time research scientist, research on Grid data management. Three years as full time researcher at CERN in Geneva, Switzerland.

University Hospitals in Geneva, Switzerland. 4/2007 - 3/2008

Visiting research scientist, research on distributed computing systems in hospital environments.

Helsinki University of Technology, Finland. 10/2003 - 8/2004

Research assistant and Master's Thesis worker.

Helsinki Institute of Physics, CERN Switzerland. 6/2003 - 9/2003

Working as a part of European Data Grid research group. Testing and developing a Grid middleware software.

Helsinki University of Technology, Finland. 1/2003 - 6/2003

Tutorial Assistant on Basic Course in Programming 2.
