## Education Promotions

### Why Not Outsmart Rather Than Outspend?

*Solve big problems on a small budget with Sun – Education's trusted partner for cutting-edge technology solutions.*

Sun solutions help your campus expand its technology capabilities while consolidating IT resources – all for less money. Sun technology solutions help educators:

- Develop a web services architecture
- Build customized portals with 24/7 availability
- Host new applications
- Store exponentially expanding data
- Conduct cutting edge research

**Sun is the best technology choice with an open, scalable, reliable and secure platform.**

Sun offers special promotional pricing for Education on a wide range of hardware, storage and software products. Promotional pricing is US list price. Similar discounts may be offered in your geography; customers outside of the US should contact their [local Sun sales office](#). This special pricing is offered only to eligible education institutions that have a Sun Education buying contract (EdVEU). You may purchase the following promotions on-line through a specially designed [Education Portal](#) or by speaking to a Sun Customer Service Representative. If you need assistance at any time you can speak with a Sun Representative by calling 1-800-SUN-0404 and selecting option 1, then 4 for Sun Education and Research sales.
